Serial No. 09/635,138

Kato's name should be deleted. However, the proposed Amendment to the inventorship inadvertently omitted inventor Sato's name and included Kato's name. The amendment presented above correctly lists the inventors who should be identified as inventors for the above-referenced application. Since the petition and remarks submitted on August 31, 2000 correctly identified the inventor to be deleted, it is understood that no further fee is due in respect to the corrective amendment presented above. However, if any fee is due please charge the same to our Deposit Account No. 14-1140 under Order No. 2018-326.

Early and favorable consideration of the petition filed August 31, 2000 and entry of the amendment presented above are respectfully requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.
